<ol style="list-style-type: none"> 1. Management will supply the first clean, up to date, proper fitting and effective hard hat. 2. Management will ensure adequate training for the maintenance, use and care. 3. All employees are required to wear the approved head protection when working or walking through any work site. The only exception is operators while seated in the cab of the equipment. 4. All employees are responsible for ensuring that it is appropriate for the hazards, worn properly (peak forward, no hoodies, ball caps, or toque to be worn under hard hat) and in good condition and not to be altered in any way. 5. All workers are responsible for ensuring that the hard hat is with them all day each day. 6. It is the responsibility of the worker to return the hard hat at the end of their employment with this company so as not to be charged the cost of a replacement hard hat. 7. It is the responsibility of the worker to turn in old or worn out hard hats for new ones if needed, and replace lost hard hats themselves.
